Colleen A Kraft, MD
Medical Director
Health Network at Cincinnati Children’s
Associate Professor of Pediatrics
University of Cincinnati School of Medicine

“Population Health: From the Bedside to the Community”

As clinicians, we are taught skills to care for individual patients, using evidence-based guidelines developed for prevention, treatment, or monitoring of the clinical condition. As childhood behavioral health disorders become increasingly prevalent in our practice, it is important for us to identify these patients and use population health tools to plan care and monitor outcomes.

ADDITIONAL SPEAKERS
Alexis Aplasca, MD
Assistant Professor
Division of Child and Adolescent Psychiatry
Children’s Hospital of Richmond at VCU

Richard Brookman, MD
Professor and Chief
Division of Adolescent Medicine
Children’s Hospital of Richmond at VCU

Christy Corbin
Family Navigator
Virginia Treatment Center for Children
Children’s Mental Health Resource Center

Bela Sood, MD, FAACAP
Professor and Policy Director
Division of Child and Adolescent Psychiatry
Children’s Hospital of Richmond at VCU
